

Independent Auditor's Review Report on the Unaudited Standalone Quarterly and Year to date Financial Results

To the Board of Directors of Srei Infrastructure Finance Limited

1. We have reviewed the accompanying statement of unaudited Standalone Financial Results of **Srei Infrastructure Finance Limited** ("the Company") for the quarter and half year ended 30 September, 2020 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 as amended ("the Act"), read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to the following matters in the Notes to the Statement:
 - i. Note 2 to the Statement, which explains that the Company has transferred the business of lending, interest-earning and leasing along with its associated employees and related assets and liabilities by way of slump exchange pursuant to a Business Transfer Agreement (BTA) with its subsidiary, Srei Equipment Finance Limited (SEFL) with effect from 01 October, 2019 after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. The consent, or otherwise, of other lenders is still awaited. The Company has obtained expert legal and accounting opinions in relation to the accounting of the slump exchange transaction which confirms that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and frame work, and we have relied on the same.

The note also specifies that SEFL is in the process of entering into a Scheme of Arrangement ('Scheme') with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). BTA, inter alia, constitutes an integral part of the Scheme and such Scheme will enable the Creditors, as mentioned therein, to alter their records by formally consenting, as applicable, to the acquisition of the Transferred Undertaking by SEFL from the Company. The Hon'ble NCLT has passed an order dated 21 October, 2020 stating, inter alia, that Creditors, as mentioned in the Scheme, of SEFL shall maintain status quo till further orders with respect to their respective contractual terms dues claims and rights and are estopped from taking any coercive steps including reporting in any form and/or changing the account status of SEFL and the Company from being a standard asset, which will prejudicially affect the implementation of the Scheme and render the said Scheme ineffective.

- ii. Note 3 to the Statement, which explains the non-ascertainment of the impact of COVID- 19 pandemic on the business of the Company, the investments in subsidiaries and the operations and business of its Subsidiaries. The extent to which COVID-19 pandemic will have impact on the Company's performance is dependent on future developments.

Our conclusion is not modified in respect of these matters.

6. The standalone financial results of the Company for the quarter ended 30 June, 2020, year ended 31 March, 2020 and quarter and half year ended 30 September, 2019 prepared in accordance with Companies (Indian Accounting Standards) Rules 2015, were reviewed by another firm of Chartered Accountants who, vide their report dated 14 September, 2020, 28 July, 2020 and 11 November, 2019 respectively issued an unmodified review report on those financial results and we have relied on the same.

Notes:

1. The above unaudited standalone financial results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 9th November, 2020. The Statutory Auditors of the Company has reviewed the said results for the quarter and half year ended 30th September, 2020.
2. During the Financial Year 2019-20, the Board of Directors of the Company and its wholly-owned subsidiary, Srei Equipment Finance Limited ("SEFL") at their respective meetings held on 4th July, 2019 approved the transfer of Lending Business, Interest Earning Business & Lease Business of the Company together with associated employees, assets & liabilities (including liabilities towards issued & outstanding non - convertible debentures) (the "Transferred Undertaking"), as a going concern by way of slump exchange to SEFL through a Business Transfer Agreement ("BTA"), in exchange of fully paid up equity shares to be issued and allotted by SEFL, subject to all necessary approvals.

Pursuant to this, the Company signed BTA on 16th August, 2019 and an amendment to the, aforesaid, BTA on 14th November, 2019 with SEFL, pursuant to which it has entered into various assignment agreements, in connection with the Transferred Undertaking, with SEFL to give effect of the slump exchange and accordingly the Company and SEFL has passed the relevant accounting entries in their respective books of account effective 1st October, 2019, after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. One of debenture holders of SEFL holding debentures amounting to Rs. 75 crores has objected to the slump exchange. The consent, or otherwise, of other lenders is still awaited. Pending the approvals as stated above, the Company had accounted for the slump exchange transaction on 1st October, 2019, as stated above. The Company has obtained expert legal and accounting opinions in relation to the accounting of the Slump Exchange Transaction which confirms that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and frame work.

Moreover, SEFL is also in the process of entering into a Scheme of Arrangement ("Scheme") with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). BTA, inter alia, constitutes an integral part of the Scheme and such Scheme will enable the Creditors, as mentioned therein, to alter their records by formally consenting, as applicable, to the acquisition of the Transferred Undertaking by SEFL from the Company. The Hon'ble NCLT has passed an order dated October 21, 2020 stating, inter alia, that Creditors, as mentioned in the Scheme, of SEFL shall maintain status quo till further orders with respect to their respective contractual terms dues claims and rights and are estopped from taking any coercive steps including reporting in any form and/or changing the account status of SEFL and the Company from being a standard asset, which will prejudicially affect the implementation of the Scheme and render the said Scheme ineffective.

3. The outbreak of COVID-19 pandemic across the globe and in India has contributed to a significant impact and volatility in global and Indian financial markets and slowdown in economic activities. The impact of COVID-19 pandemic will be long lasting on the business of the Company, the investments in subsidiaries, and the operations and business of its Subsidiaries is dependent on the future developments.
4. Considering the significant impact of COVID-19 on business activity, the Company had approached Non-convertible Perpetual Bond holders for waiver of interest for F.Y. 2020-21. The Company has received their consent. Accordingly, the Company has not accrued interest on such bonds for quarter ended 30th September, 2020 totalling to Rs. 807 lakhs and reversed interest accrued on such bonds for quarter ended 30th June, 2020 totalling to Rs.792 lakhs during the current quarter.
5. The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post-employment received Presidential assent in September, 2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
6. In view of slump exchange transaction as stated in Note No. 2 above, the cash flow statement for the half year ended 30th September, 2020 is not comparable with those of the corresponding previous periods.
7. The business of the Company falls within a single primary segment viz., 'Financial Services' and hence, the disclosure requirement of Ind AS 108 - "Operating Segments" is not applicable.
8. Figures pertaining to the previous period have been rearranged/ regrouped, wherever considered necessary, to make them comparable with those of the current period.

6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review report of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We draw attention to the following matters in the Notes to the Statement:

i. Note 2 to the Statement, which explains that the Holding Company has transferred the business of lending, interest-earning and leasing along with its associated employees and related assets and liabilities by way of slump exchange pursuant to a Business Transfer Agreement (BTA) with its wholly owned subsidiary, Srei Equipment Finance Limited (SEFL) with effect from 01 October, 2019 after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. The consent, or otherwise, of other lenders is still awaited. The Company has obtained expert legal and accounting opinions in relation to the accounting of the slump exchange transaction which confirms that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and framework, and we have relied on the same.

The note also specifies that SEFL is in the process of entering into a Scheme of Arrangement ('Scheme') with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). BTA, inter alia, constitutes an integral part of the Scheme and such Scheme will enable the Creditors, as mentioned therein, to alter their records by formally consenting, as applicable, to the acquisition of the Transferred Undertaking by SEFL from the Holding Company. The Hon'ble NCLT has passed an order dated 21 October, 2020 stating, inter alia, that Creditors, as mentioned in the Scheme, of SEFL shall maintain status quo till further orders with respect to their respective contractual terms dues claims and rights and are estopped from taking any coercive steps including reporting in any form and/or changing the account status of SEFL and the Holding Company from being a standard asset, which will prejudicially affect the implementation of the Scheme and render the said Scheme ineffective.

ii. Note 3 to the Statement, which explains the non-ascertainment of the impact of COVID- 19 pandemic on the business of the Company, the investments in subsidiaries and the operations and business of its Subsidiaries. The extent to which COVID-19 pandemic will have impact on the Company's performance is dependent on future developments.

It further states that SEFL is in the process of carrying out complete review and reconciliation of borrowers / operating lessees to whom the moratorium was granted. Pending completion of the above reconciliation / process, we are unable to ascertain the impact, if any, of the same on the Statement for the quarter and half year ended 30 September, 2020.

iii. Note 4 to the Statement, which explains that SEFL is in discussion with the lenders with regards to the moratorium on borrowings applied by SEFL and that it is also in the process of entering into a scheme of arrangement with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). The Hon'ble NCLT has passed an order dated 21 October, 2020. Since, the discussion / process, as aforesaid is still on, no impact / adjustments of the same has yet been given in the books of account and we are unable to comment on the consequential impact of the same, if any on the financial results for the quarter and half year ended 30 September, 2020.

Our conclusion is not modified in respect of these matters.

8. Notes:

- The above unaudited consolidated financial results have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at their respective meetings held on 9th November, 2020. The Statutory Auditors of the Company has reviewed the said results for the quarter and half year ended 30th September, 2020.
- During the Financial Year 2019-20, the Board of Directors of the Parent and its wholly-owned subsidiary, Srei Equipment Finance Limited ("SEFL") at their respective meetings held on 4th July, 2019 approved the transfer of Lending Business, Interest Earning Business & Lease Business of the Parent together with associated employees, assets & liabilities (including liabilities towards issued & outstanding non-convertible debentures) (the "Transferred Undertaking"), as a going concern by way of slump exchange to SEFL through a Business Transfer Agreement ("BTA"), in exchange of fully paid up equity shares to be issued and allotted by SEFL, subject to all necessary approvals.

Pursuant to this, the Parent signed BTA on 16th August, 2019 and an amendment to the, aforesaid, BTA on 14th November, 2019 with SEFL, pursuant to which it has entered into various assignment agreements, in connection with the Transferred Undertaking, with SEFL to give effect of the slump exchange and accordingly the Parent and SEFL has passed the relevant accounting entries in their respective books of account effective 1st October, 2019, after receiving the approval of the shareholders, debenture trustees, few lenders, stock exchanges and in-principle approval from some of the domestic lenders including lead banks. One of debenture holders of SEFL holding debentures amounting to Rs. 75 crores has objected to the slump exchange. The consent, or otherwise, of other lenders is still awaited. Pending the approvals as stated above, the Parent had accounted for the slump exchange transaction on 1st October, 2019, as stated above. The Parent has obtained expert legal and accounting opinions in relation to the accounting of the Slump Exchange Transaction which confirms that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and frame work.

Moreover, SEFL is also in the process of entering into a Scheme of Arrangement ("Scheme") with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT). BTA, inter alia, constitutes an integral part of the Scheme and such Scheme will enable the Creditors, as mentioned therein, to alter their records by formally consenting, as applicable, to the acquisition of the Transferred Undertaking by SEFL from the Parent. The Hon'ble NCLT has passed an order dated October 21, 2020 stating, inter alia, that Creditors, as mentioned in the Scheme, of SEFL shall maintain status quo till further orders with respect to their respective contractual terms dues claims and rights and are estopped from taking any coercive steps including reporting in any form and/or changing the account status of SEFL and the Parent from being a standard asset, which will prejudicially affect the implementation of the Scheme and render the said Scheme ineffective.

- The outbreak of COVID-19 pandemic across the globe and in India has contributed to a significant impact and volatility in global and Indian financial markets and slowdown in economic activities. The impact of COVID-19 pandemic will be long lasting on the operations and business of the Parent and its subsidiaries is dependent on the future developments.

The Reserve Bank of India (RBI) has issued guidelines relating to COVID-19 Regulatory Package on March 27, 2020, April 17, 2020 and May 23, 2020 and in accordance therewith, Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary has offered repayment moratorium to borrowers to whom loan has been granted (including cases of co-lending and loan assigned) (hereinafter referred to as 'borrowers') and to parties to whom assets are given on operating lease (hereinafter referred to as 'operating lessees'). Considering the large number of borrowers and operating lessees and also considering the operational challenges posed by Covid-19 pandemic including but not limited to complete /partial lockdown, SEFL is in the process of carrying out complete review and reconciliation of its borrowers/operating lessees who opted for moratorium and to whom the moratorium was granted and the corresponding provisioning to be done. Any further adjustment/provisioning as may be required as per the related RBI circulars will be carried out after completion of above stated reconciliation/process.

Based on the current situation and the available internal and external sources of information including various measures taken by the Government and regulators, the management consider the provision made in the books of accounts to be adequate.

- As stated in Note 3, Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary has granted moratorium to its borrowers and operating lessees and hence with a view to manage its cash flows, SEFL had applied for moratorium on borrowings from its lenders in accordance with COVID-19 Regulatory Package announced by RBI. However, SEFL hasn't received explicit rejection for the same from a few lenders. SEFL is discussing the same with those lenders. Moreover, SEFL is also in the process of entering into a Scheme of Arrangement ("Scheme") with the lenders through approval from relevant authorities. The application to that effect has been filed with the Hon'ble National Company Law Tribunal (NCLT) and the Hon'ble NCLT has passed an order dated October 21, 2020 stating, inter alia, that Creditors, as mentioned in the Scheme, of SEFL shall maintain status quo till further orders with respect to their respective contractual terms dues claims and rights and are estopped from taking any coercive steps including reporting in any form and/or changing the account status of SEFL and the Company from being a standard asset, which will prejudicially affect the implementation of the Scheme and render the said Scheme ineffective.
