

Srei, PFS join hands to facilitate financing in the Energy Value Chain

New Delhi, June 7, 2019: Srei Infrastructure Finance Limited ("Srei"), one of India's largest holistic infrastructure institutions, today announced that it has signed a Memorandum of Understanding ("MoU") with PTC India Financial Services Limited ("PFS") to facilitate financing, syndication, and advisory services in the fast growing Energy Value Chain across industries in India.

Commenting on this occasion, **Mr. Rakesh Kumar Bhutoria, CEO, Srei**, said, "India is on the threshold of a decisive moment in its growth path. To sustain its growth India needs to invest more in its infrastructure. Srei has been contributing to the nation building process in a meaningful way for the past three decades. Our partnership with PFS underlines our unflinching commitment towards building a better India through varied financing solutions and advisory services. We are working with best in class domestic and international capital providers like PFS to meet the funding needs of our clients."

Dr. Pawan Singh, MD & CEO, PTC India Financial Services said, "Our philosophy is 'Association Relationship and Communication', therefore we have entered this MoU. We look forward to working together with Srei and contribute to the growth of infrastructure sector and the cause of nation building."

About Srei:

Srei is one of India's largest holistic infrastructure institutions, constantly and consistently delivering innovative solutions in the infrastructure sector. The company has been playing a significant role in nation-building for three decades, both in urban and rural India. Srei's businesses include Infrastructure Project Finance, Advisory and Development, Infrastructure Equipment Finance, Alternative Investment Funds, Capital Markets and Insurance Broking. Srei is headquartered in Kolkata and has presence across India.

About PFS:

PFS is a non-banking finance company promoted by PTC India Limited. PFS has been granted the status of an Infrastructure Finance Company ("IFC") by the Reserve Bank of India. The Company offers an array of financial products to infrastructure companies in the entire energy value chain and other infrastructure industries. PFS also provides fee based services viz. loan syndication and underwriting etc.
