I. Supersession of Board of Directors and Implementation of Corporate Insolvency Resolution Process

The Reserve Bank of India ('RBI') vide press release dated October 4, 2021 in exercise of the powers conferred under Section 45-IE (1) of the Reserve Bank of India Act, 1934 ('RBI Act') superseded the Board of Directors of the Company ('the Company' or 'SEFL') and appointed an Administrator under Section 45-IE (2) of the RBI Act. Further, RBI, in exercise of powers conferred under section 45-IE (5) (a) of the RBI Act, constituted a three-member Advisory Committee to assist the Administrator in discharge of his duties. Thereafter, RBI filed applications for initiation of Corporate Insolvency Resolution Process ('CIRP') against the Company under section 227 read with clause (zk) of sub-section (2) of Section 239 of the Insolvency and Bankruptcy Code (IBC), 2016 ('the Code') read with Rules 5 and 6 of the Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules, 2019 ('FSP Insolvency Rules') before the Hon'ble National Company Law Tribunal, Kolkata Bench ('Hon'ble NCLT'). Hon'ble NCLT vide its order dated October 8, 2021 admitted the application made by RBI for initiation of CIRP against the Company. Further, Hon'ble NCLT gave orders for appointment of Mr. Rajneesh Sharma, as the Administrator to carry out the functions as per the Code and that the management of the Company shall vest in the Administrator. Further, Hon'ble NCLT also retained the three-member Advisory Committee, as aforesaid, for advising the Administrator in the operations of the Company during the CIRP. There has been changes in the composition of the Advisory Committee on June 22, 2022 and January 31, 2023. The Consolidated Committee of Creditors (CoC) took on record three Resolution Plans received from Prospective Resolution Applicants (PRAs) on January 18, 2023. The three Resolution Plans received by the Consolidated CoC were put to e-voting. The Consolidated CoC took on record the results of the e-voting in CoC meeting held on February 15, 2023, and the resolution plan submitted by National Asset Reconstruction Company Limited (NARCL) was duly approved by CoC by majority voting under section 30(4) of the IBC read with Regulation 39(3) of CIRP Regulations, 2016, thereby, declaring NARCL as Successful Resolution Applicant (SRA).

The resolution plan of NARCL approved by Consolidated Committee of Creditors (CoC) was filed before Adjudicating Authority i.e., Hon'ble NCLT, Kolkata on February 18, 2023 for its approval. The Administrator has also filed all the necessary legal and regulatory approvals before the Adjudicating Authority. The approval of the resolution plan is awaited from the Adjudicating Authority pending certain litigations.

2. The unaudited financial results of the Company for the quarter ended June 30, 2023 have been taken on record by the Administrator on July 22, 2023 while discharging the powers of the Board of Directors of the Company which were conferred upon him by the RBI press release dated October 4, 2021 and subsequently, powers conferred upon him in accordance with Hon'ble NCLT order dated October 8, 2021. Since the Administrator has taken charge of the affairs of the Company on October 4, 2021, the Administrator is not liable or responsible for any actions and has no personal knowledge of any such actions of the Company prior to his appointment and has relied on the position of the financial results of the Company as they existed on October 4, 2021. Regarding information pertaining to period prior to October 4, 2021 the Administrator has relied upon the explanations, clarifications, certifications, representations and statements made by the Chief Financial Officer, Company Secretary, Chief Business Officer, Chief Risk Officer, Chief Compliance Officer and Legal Head ('the existing officials of the Company'), who were also part of the Company prior to the appointment of the Administrator. It is also incumbent upon the Resolution Professional, under Section 20 of the Code, to manage the operations of the Company as a going concern. As a part of the CIRP, the Administrator got conducted audits/reviews relating to the processes and compliances of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code. The Administrator of the Company had received account wise transaction audit reports from the professional agency appointed as the transaction auditor indicating that there are transactions amounting to ₹ 18,375 crores which are fraudulent in nature under section 66 of the Code including transactions amounting to ₹ 1,230 crores determined as undervalued transactions. Accordingly, the Administrator has filed applications under section 60(5) and section 66 of the Code before the Kolkata bench of the Hon'ble National Company Law Tribunal (NCLT) on various dates till May 5, 2023 for adjudication. The Company in the earlier periods had created provision and impairment reserve to the extent of 100% of gross exposure on such accounts, despite having some underlying securities as a matter of abundance prudence. As of Jun 30, 2023, the Company still maintained provision and impairment reserve to the extent of 100% of gross exposure on such accounts. In addition to the above, basis the transaction audit reports from the professional agency appointed as the transaction auditor, the Administrator has filed an application under section 60(5) and section 66 of the Code before the Kolkata bench of the Hon'ble National Company Law Tribunal (NCLT) on November 18, 2022 for an amount of ₹ 848 Crores, being the net shortfall in payments to the Company's lenders who were assigned the Pool Loans as on September 30, 2021 for adjudication.

The transaction audit has been completed and the necessary impact of the same have been incorporated in the financial results.

The above financial results for the quarter ended June 30, 2023 were subjected to limited review by the Joint Statutory Auditors (J. Kala & Associates, Chartered Accountants and Dass Gupta & Associates, Chartered Accountants) of the Company as required under Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ('Listing Regulations').

3. Non recognition of Interest Income on transactions reported under section 60(5) and section 66 of the Code

During the quarter ended September 30, 2022, as a matter of prudence, the Company had adopted a policy in respect of the borrowers whose transactions with the Company are determined as fraudulent basis transaction audit reports, not to recognise the income on such accounts from the start of the quarter in which such transactions are reported as fraudulent by the Company. Further, in case of transactions determined as fraudulent in previous periods prior to the adoption of this policy, no income is being recognised w.e.f July 1, 2022 in all such cases. Had the policy not changed, the interest income would have been higher by ₹ 241 crores for the quarter ended June 30, 2023. Subsequently, the ECL provision would also have been higher by ₹ 241 crores for the quarter ended June 30, 2023, resulting in no change in the loss for the quarter ended June 30, 2023.

4. The Company is primarily engaged in financial services to its customers across India. Accordingly, there are no separate reportable segments as per Ind AS 108. However, for the Parent Company reporting purpose the following table has been given :

Segment wise Revenue, Results, Assets and Liabilities

Particulars	(Rs. in Lakhs)

5. Loan loss provisioning

The Company on the basis of abundant prudence, had decided to make provision to the extent of interest income recognised during the respective quarter on Net Stage - III accounts. Accordingly, the Company has made a total provision of ₹ 149 crores on such accounts for the quarter ended June 30, 2023. This has resulted in increase in Impairment on Financial Instruments (Net) by ₹ 149 crores and thereby increase in loss by ₹ 149 crores for the quarter ended June 30, 2023. Based on the ECL policy, the Company has made ECL provision aggregating to ₹ 56 crores for the quarter ended June 30, 2023.

Further, in terms of paragraph 2 (b) of Annex to the guidelines DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020 issued by RBI on Implementation of Indian Accounting Standards for Non-Banking Finance Companies and Asset Reconstruction Companies, the Company has also considered provision amounting to ₹ Nil for the quarter ended June 30, 2023 under Income Recognition, Asset Classification and Provisioning Norms, considering the overall impairment reserve. Such provision is also over and above ECL provision as stated above and has been accounted as 'Impairment Reserve'. In cases where the ECL provision and the impairment reserve made in earlier periods was more than the gross exposure, the Company made a lesser provision under the ECL, so as to restrict the net exposure at ₹ Nil, since no withdrawal from such impairment reserve is permitted. If the loan loss provisioning would have been provided without considering the impairment reserve as mentioned above the loss before tax for the quarter ended June 30, 2023 would have increased by ₹ 58 crores, and correspondingly impairment reserve of ₹ 58 crores would have been transferred to retained earnings, thereby having no impact on shareholders fund.

As a part of the ongoing CIRP process the Administrator has appointed, two (2) independent valuers to conduct the valuation of the assets of the Company and assets/collateral held as securities as required under the provisions of the Code. Accordingly, the financial results, disclosures, categorisation and classification of assets are subject to the outcome of such valuation and CIRP process.

6. Business Transfer Agreement and Scheme of Arrangement

During the year 2019-20, the Company and its holding Company, Sri Infrastructure Finance Limited (SIFL) entered into an agreement ('Business Transfer Agreement') to transfer the Lending Business, Interest Earning Business & Lease Business of SIFL together with associated employees, assets & liabilities (including liabilities towards issued & outstanding non-convertible debentures) (Transferred Undertaking), as a going concern by way of slump exchange to the Company pursuant to the Business Transfer Agreement, subject to all necessary approvals. Accordingly, the Company and SIFL passed the relevant accounting entries in their respective books of account to reflect the slump exchange w.e.f. October 1, 2019 while allotment of shares by SEFL was made on December 31, 2019. The superseded board of directors and erstwhile management of the Company, as existed prior to the Appointment of the Administrator, had obtained external expert legal and accounting opinions in relation to the accounting of BTA which confirmed that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and framework.

During the year 2020-2021, the Company had filed two separate applications under Section 230 of the Companies Act, 2013 ('the Act') before the Hon'ble NCLT (CA 1106/KB/2020 and CA 1492/KB/2020 at the Hon'ble NCLT Kolkata) proposing Schemes of Arrangement (the Schemes) with all its secured and unsecured lenders (Creditors). Business Transfer Agreement, constituted an integral part of the Schemes.

The first scheme (i.e. CA 1106/KB/2020) sought for amongst other things "formal consent to be obtained from the required majority of the creditors of SEFL to the completed acquisition by way of slump exchange of the Transferred Undertaking from SIFL in terms of the BTA and consequential formal novation of the loans and securities already forming part of SEFL liabilities and outstanding to the creditor." (as set out in the Scheme filed CA 1106/KB/2020).

The second scheme (i.e. CA 1492/KB/2020) sought for amongst other things restructuring of the debt due to certain creditors of the Company including secured debenture holders, unsecured debenture holders, perpetual debt instrument holders, secured ECB lenders and unsecured ECB lenders and individual debenture holders.

Pursuant to the directions of Hon'ble NCLT vide order dated October 21, 2020, the superseded board of directors and erstwhile management had maintained status quo on the Scheme including accounting of BTA. The final order/s in connection with the Schemes was awaited from Hon'ble NCLT/NCLAT at that time.

Both the schemes of arrangement were rejected by the majority of the creditors during the meetings held pursuant to Hon'ble NCLT's directions (dated 21/10/2020 and 30/12/2020 respectively). Further, certain appeals were filed by rating agencies in the matter relating to the second scheme of arrangement (i.e. CA 1492/KB/2020). An application of withdrawal was filed by the Administrator in this matter which has been allowed by the Tribunal by an order dated February 11, 2022. As stated in Note 7 below, the Company is in the process of consolidated resolution of SEFL and SIFL and hence no further action is being contemplated regarding establishing the validity of BTA or otherwise, consequent upon the withdrawal of Schemes as stated above. Accordingly, the status quo regarding BTA, as it existed on the date of commencement of CIRP, has been maintained.

7. Consolidated Resolution under CIRP

In view of the impracticability for preparing the resolution plan on individual basis in the case of the Company and its Holding Company, the Administrator, after adopting proper procedure, had filed applications before the Hon'ble National Company Law Tribunal- Kolkata Bench (Hon'ble NCLT) in the insolvency resolution process of SIFL and SEFL (IA No. 1099 of 2021 under CP.294/KB/2021 and IA No. 1100 of 2021 under CP.295/KB/2021).

The application in this matter was admitted and the final order was received on February 14, 2022 wherein the Hon'ble NCLT approved the consolidation of the corporate insolvency of SIFL and SEFL. The Consolidated Committee of Creditors (CoC) took on record three Resolution Plans received from Prospective Resolution Applicants (PRAs) on January 18, 2023. The three Resolution Plans received by the Consolidated CoC were put to e-voting. The Consolidated CoC took on record the results of the e-voting in CoC meeting held on February 15, 2023, and the resolution plan submitted by National Asset Reconstruction Company Limited (NARCL) was duly approved by CoC by majority voting under section 30(4) of the IBC read with Regulation 39(3) of CIRP Regulations, 2016, thereby, declaring NARCL as Successful Resolution Applicant (SRA). The resolution plan of NARCL approved by Consolidated Committee of Creditors (CoC) was filed before Adjudicating Authority on February 18, 2023 for its approval. The Administrator has also filed all the necessary legal and regulatory approvals before the Adjudicating Authority. The approval of the resolution plan is awaited from the Adjudicating Authority pending certain litigations.

8. Payment to lenders/others and claims under CIRP

CIRP has been initiated against the Company, as stated in Note No. 1 and accordingly, as per the Code, the Administrator has invited the financial/operational/other creditors to file their respective claims as on October 8, 2021 (i.e. date of commencement of CIRP). As per the Code, the Administrator has to receive, collate and verify all the claims submitted by the creditors of the Company.

Admission of claims of the financial/ operational/ other creditors received by the Administrator is completed and the effect of the same has been given in the books of accounts. However, the figures of the claims admitted in the books of accounts might undergo change in the subsequent periods before the resolution plan is approved by Adjudicating Authority in case the Administrator comes across any additional information warranting such revision of claim amounts of the financial/ operational/ other creditors.

Further, the foreign currency debt of the Company has been converted into INR as per the Code on the date of commencement of CIRP and accordingly, the Company has not translated its foreign currency exposure as on June 30, 2023 as per the requirements of Ind AS 21 'The effects of changes in foreign exchange rates'.

9. Pursuant to the admission of the Company under the CIRP, the Company has not provided for interest amount of ₹ 1,263 crores for the quarter ended June 30, 2023, ₹ 1,209 crores for the quarter ended March 31, 2023, ₹ 1,107 crores for the quarter ended June 30, 2022 and ₹ 4,661 crores for the year ended March 31, 2023 on Borrowings since insolvency commencement date i.e. October 8, 2021 in respect of the Company's obligation for interest and principal amount for all the borrowings. Under the Code, the treatment of creditors under the resolution plan is as per debts due as on insolvency commencement date and therefore no interest is accrued and payable after this date. If the interest was accrued on borrowings, as aforesaid, the loss before tax for the quarter ended June 30, 2023 would have resulted in a loss before tax of ₹ 1,460 crores, the loss before tax for the quarter ended March 31, 2023 would have resulted in a loss before tax of ₹ 1,400 crores, the loss before tax for the quarter ended June 30, 2022 would have resulted in a loss before tax of ₹ 5,726 crores, the loss before tax for the year ended March 31, 2023 would have resulted in a loss before tax of ₹ 15,881 Crores.

10. Unhedged Foreign Currency Exposure

As per the requirements of RBI notification RBI/FED/2018-19/67 FED Master Direction No.5/2018-19 dated March 26, 2019 entities raising External Commercial Borrowings ('ECB') are required to mandatorily hedge 70 per cent of their ECB exposure in case the average maturity of ECB is less than 5 years, which the Company complied on an ongoing basis till the nine months ended December 31, 2020. Thereafter, the Company was not able to meet the requirements of the aforesaid RBI notification due to procedural issues. The Company was not able to make payment of the hedging premium/cost to the concerned banks for keeping the ECB exposures hedged, as aforesaid. Therefore, the concerned banks unwound the currency risk hedges, which resulted in ECB exposures amounting to ₹ 273 crores as per contractual terms being not hedged as on June 30, 2023, in terms of the aforesaid RBI notification. The Company has reported the above fact to RBI and reply from the same is still awaited.

11. Going Concern

The Company had reported losses during the quarter ended June 30, 2023 and earlier year/periods as well. Hence, the net worth of the Company has fully eroded.

There is persistent severe strain on the working capital and operations of the Company and it is undergoing significant financial stress. As stated in Note No. 1, CIRP was initiated in respect of the Company w.e.f. October 8, 2021. The Company has assessed that the use of the going concern assumption is appropriate in the circumstances and hence, these financial results have been prepared on a going concern assumption basis as per below:

a) The Code requires the Administrator to, among other things, run the Company as a going concern during CIRP.

b) The Administrator, in consultation with the Committee of Creditors ('CoC') of the Company, in accordance with the provisions of the IBC, is making all endeavours to run the Company as a going concern. Considering the future business outlook and with time bound recovery of its due from borrowers/lessees and monetization of assets/securities, the Company is hopeful of improvement in its cash flows in due course of time.

c) Reduction in overhead expenditure.

d) The Company also formed dedicated focused collection team to increase the collection and is also exploring all possibilities to start new business with the launch of various schemes.

CIRP is ongoing and as per the process, the Consolidated Committee of Creditors (CoC) took on record three Resolution Plans received from Prospective Resolution Applicants (PRAs) on January 18, 2023. The three Resolution Plans received by the Consolidated CoC were put to e-voting. The Consolidated CoC took on record the results of the e-voting in CoC meeting held on February 15, 2023, and the resolution plan submitted by National Asset Reconstruction Company Limited (NARCL) was duly approved by CoC by majority voting under section 30(4) of the IBC read with Regulation 39(3) of CIRP Regulations, 2016, thereby, declaring NARCL as Successful Resolution Applicant (SRA).

The resolution plan of NARCL approved by Consolidated Committee of Creditors (CoC) was filed before Adjudicating Authority i.e., Hon'ble NCLT, Kolkata on February 18, 2023 for its approval. The Administrator has also filed all the necessary legal and regulatory approvals before the Adjudicating Authority.

The approval of the resolution plan is awaited from the Adjudicating Authority pending certain litigations. Pending the completion of the said process under CIRP, these financial results have been prepared on a going concern basis.

12. Probable Connected / Related Companies

The Reserve Bank of India (RBI) in its inspection report and risk assessment report (the directions) for the year ended March 31, 2020 had identified 'certain borrowers' as probable connected/related companies. In the directions, the Company has been advised to re-assess and re-evaluate the relationship with the said borrowers to assess whether they are related parties to the Company or to Srei Infrastructure Finance Limited ('SIFL' or 'Holding Company') and also whether these are on arm's length basis.

It has been brought to the Administrator's notice that the erstwhile management of the Company had taken legal view to determine whether such borrowers are related parties to the Company or SIFL. Based on the legal view, the erstwhile management was advised and had therefore come to the conclusion that the Company or its Holding Company have no direct or indirect control or significant influence (as per Companies Act, 2013, Ind AS) over such borrowers and are not under common control and accordingly, are not a related party of the Company or its Holding Company. The erstwhile management had also obtained an assessment report on the review & verification of the transactions with the aforesaid probable connected/related companies from an independent Chartered Accountant firm, which states that the transactions of the Company/SIFL with probable connected parties were done at arm's length principles and are in the ordinary course of business and that such parties are not related parties of the Company/SIFL under the Companies Act, 2013 or Ind AS 24.

Further, in view of the RBI directions, in line with arm's length principles, the erstwhile management was in the process of re-assessing & re-negotiating terms and conditions with the aforesaid borrowers and all other borrowers, who have been granted loans with moratorium period and at interest rate which is linked with the cash flows of the project while ensuring that the overall yield is maintained. However, the same was not concluded and meanwhile the Company has gone into CIRP.

The total gross exposure towards such borrowers is ₹ 11,148 crores and ₹ 11,150 crores as on June 30, 2023 and as on March 31, 2023 respectively and the total exposure (net of impairment) towards such borrowers is ₹ 538 crores and ₹ 532 crores as on June 30, 2023 and as on March 31, 2023 respectively.

However, the Administrator is not in a position to comment on the views adopted by the erstwhile management of the Company in relation to the findings of the directions since these pertain to the period prior to the Administrator's appointment. As a part of the CIRP, the Administrator got conducted transaction audits/reviews relating to the process and compliances of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code.

Out of Accounts referred by the RBI in the directions, the Administrator has received account wise transaction audit reports, which has identified certain transactions as fraudulent in nature under section 66 of the Code, including undervalued transactions, the gross exposure of such borrower's amounts to ₹ 10,440 crores and ₹ 10,453 crores as on June 30, 2023 and as on March 31, 2023 respectively and the total exposure (net of impairment) towards such borrowers is ₹ Nil and ₹ Nil as on June 30, 2023 and as on March 31, 2023 respectively. In respect of such accounts, the Administrator has filed applications under section 60(5) and section 66 of the Code before the Kolkata bench of the Hon'ble National Company Law Tribunal (NCLT) on various dates till May 5, 2023 for adjudication. The Company has also made 100 % impairment on such accounts. The transaction audit has been completed and the necessary impact of the same have been incorporated in these financial results.

13 Based on the directions of RBI, during the year ended March 31, 2022 the Company has made provision amounting to ₹ 98 crores and ₹ 50 crores in respect of direct tax cases and indirect tax cases respectively where the Company was under various stages of appeal with the relevant tax authorities. Further during the quarter ended June 30, 2023, the Company has received appellate order pertaining to entry tax demand, whereby the Company has been granted relief to the extent of ₹ 0.17 Crores from the original demand of ₹ 0.19 crores. Accordingly, the provision has been reduced to such extent. These amounts which have been provided for were appearing under 'Contingent Liabilities' earlier. Since, the balance provision, as aforesaid, has been done on the directions of RBI, the Company has not assessed whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- 'Provisions, Contingent Liabilities and Contingent Assets'.

14. As at March 31, 2021 the Company was having funds amounting to ₹ 5.23 crores in relation to the Corporate Social Responsibility ('CSR') which were unspent. These unspent amounts as per the requirements of Section 135 of the Companies Act, 2013 ('Act') were to be transferred to funds specified under Schedule VII to the Act within a period of 6 months. However, the domestic lenders of the Company had stipulated Trust and Retention Account (TRA) mechanism effective November 24, 2020, pursuant to which all the payments being made by the Company were being approved/released based on the TRA mechanism. The Company was not able to transfer the aforesaid unspent CSR amount as per the requirements of Section 135 of the Act. The Company has written letter to the Ministry of Corporate Affairs ('MCA') seeking exemptions from the obligations of the Company under portions of Section 135(5) and Section 135(7) of the Act. The reply from MCA in this regard is still awaited.

15 As per Regulation 54(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the secured redeemable non-convertible debentures as on June 30, 2023 are secured by first pari-passu charge by mortgage of immovable property(s) at West Bengal / Tamil Nadu. The Company had filed necessary e-forms for Debenture Trust Deed (DTD) novated from SIFL with ROC but the same have not been approved as stated in Note No.16 (except for one ISIN wherein principal outstanding is ₹ 0.70 crores only, which was secured by immovable properties located at West Bengal and Delhi being in the books of Controlla Electrotech Pvt Limited and SIFL respectively for which necessary e-form post novation is not filed with ROC as stated in Note No.16) and exclusive and/or specific charge on the specific & identified receivables of the Company. Security cover available as on June 30, 2023, net of provisions as per Ind AS norms excluding provisions made under IRACP is 36.63% of the principal and interest amount of its secured redeemable non-convertible debentures. The Company has not been able to maintain the security cover as stated in the Information Memorandum/Debenture Trust Deeds etc. As stated in Note No. 5 above, as part of the ongoing CIRP process the Administrator has appointed two (2) independent valuers to conduct the valuation of the assets of the Company as required under the provisions of the Code. Accordingly, the percentage of security cover given above is subject to the outcome of such valuation and CIRP process.

The overall Security cover certificate, Pursuant to Regulations 54 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), is attached in Annexure 2.

- 16 As stated in Note No. 6, the Company had acquired borrowings (including secured borrowings and NCDs) from SIFL and charges created with ROC in relation to such borrowings were to be transferred in the name of the Company.
In relation to the above, cases where the novation agreements are signed by the lenders /trustees pursuant to Slump Exchange Transaction between SIFL to SEFL, necessary e-forms w.r.t. charges were filed by SEFL with the Registrar of Companies, Kolkata (ROC) except for one ISIN whereby principal outstanding is ₹ 0. 70 crores only.
However, above charges filed by SEFL have not been approved by the ROC. Hence, the charges which were originally created in the name of SIFL for such secured borrowings are still continuing so in the records of ROC.
Further, with respect to certain borrowings where, though borrowed facilities have been repaid in full, charge satisfactions are still pending. These pendencies are mainly on account of non-receipt of NOC from lenders etc. / completion of satisfaction formalities.
- 17 As per section 125 of the Companies Act, 2013 a Company is required to transfer certain amount lying unpaid, for 7 years, to Investor Education Protection Fund ("IEPF"). Prior to the date of commencement of CIRP i.e. October 8, 2021 (CIRP commencement date) an amount of ₹ 18,574/- and post commencement of CIRP an amount of ₹ 7,70,634/- was transferable by SEFL to IEPF in terms of section 125 of the Companies Act, 2013 on different dates till the June 30, 2023.
The Company was unable to comply with the provision of Section 125 of the Companies Act, 2013 as the Company needs to comply with the General Circular No. 08/ 2020 issued by the Ministry of Corporate Affairs (MCA) dated 6th March, 2020 captioned "Filing of forms in the Registry (MCA-21) by the Insolvency Professional (Interim Resolution Professional (IRP) or Resolution Professional (RP) or Liquidator) appointed under Insolvency Bankruptcy Code, 2016 (IBC, 2016)" which states that in respect of companies which are marked under CIRP in the Registry, Annual Return (e-form No.MGT-7) and Financial Statement (e-form AOC-4) and other documents under the provisions of the Companies Act, 2013, in accordance with directions issued by the NCLT/ NCLAT / Courts, shall be filed as attachments with e-form GNL-2 against the payment of one time normal fee only, till such time the company remains under CIRP. Separate GNL-2 forms shall be filed for each such document, by the IRP/ RP. However since the GNL -2 form is not linked with IEPF -1 the Company is unable to generate SRN for payment to IEPF authorities. Due to said technical difficulty the Company could not comply with the provisions of Sec 125 & other applicable provisions of the Companies Act, 2013. The Company has requested for guidance from IEPF authorities and also requested them to file claim for pre CIRP amount. The revert on the same is awaited.
- 18 During the quarter ended March 31, 2022, the Company has invoked 49% equity shares of Sanjvik Terminals Private Limited ("STPL"), which were pledged with the Company as security against the loan availed by one of the borrowers of the Company. As at March 31, 2023, these shares appeared in the demat statement of SIFL, whereas the loan was transferred to the Company pursuant to BTA, as stated in Note No. 6 above. However the entire shares have been sold on April 11, 2023 and the same has been transferred to the demat account of purchaser on April 26, 2023.
- 19 Details of loan transferred / acquired during the quarter ended June 30, 2023 pursuant to RBI Master Direction RBI/DOR/2021-22/86 DOR.STR.REC.51/21.04.048/2021-22 dated September 24, 2021 on Transfer of Loan Exposures are given below

- 20 Based on the information available in the public domain, some of the lenders have declared the bank account of the Company as fraud. However, in case of one of the lender, on the basis of petition filed by the ex-promoter before the Hon'ble High Court of Delhi, the Hon'ble Court has passed interim relief to the petitioner vide order dated April 22, 2022, restraining the said lender from taking any further steps or action prejudicial to the petitioner on the basis of the order declaring the bank account as fraud. 2015 (as amended)**

To
The Administrator
Srei Equipment Finance Limited

1. We were engaged to review the accompanying Statement of Unaudited Financial Results of **Srei Equipment Finance Limited** ("the Company") for the quarter ended June 30, 2023 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations').
2. The Reserve Bank of India ('RBI') vide press release dated October 4, 2021 in exercise of the powers conferred under Section 45-IE (1) of the Reserve Bank of India Act, 1934 ('RBI Act') superseded the Board of Directors of the Company and appointed an Administrator under Section 45-IE (2) of the RBI Act. Further, RBI, in exercise of powers conferred under section 45-IE (5) (a) of the RBI Act, has constituted a three-member Committee of Advisors for advising the Administrator.

The RBI had also filed application for initiation of Corporate Insolvency Resolution Process ('CIRP') against the Company under Section 227 read with clause (zk) of sub-section (2) of Section 239 of the Insolvency and Bankruptcy Code (IBC), 2016 ('the Code') read with Rules 5 and 6 of the Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules, 2019 ('FSP Insolvency Rules') before the Hon'ble National Company Law Tribunal, Kolkata Bench ('Hon'ble NCLT'). Hon'ble NCLT vide its order dated October 8, 2021 admitted the application made by RBI for initiation of CIRP against the Company. Further, Hon'ble NCLT gave orders for appointment of Mr. Rajneesh Sharma, as the Administrator to carry out the functions as per the Code and that the management of the Company shall vest in the Administrator.

3. We refer to Note No. 2 to the Statement which states that the Statement has been taken on record by the Administrator while discharging the powers of the Board of Directors of the Company which were conferred upon him by the RBI and subsequently by the Hon'ble NCLT vide its order dated October 8, 2021.

The Statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

In view of the matters described in paragraph 5 mentioned below, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our conclusion on the Statement. Accordingly, we do not express a conclusion on the Statement.

4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical

procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

5. Basis for Disclaimer of Conclusion

- (a) Note No. 2 explains that since the Administrator has taken charge of the affairs of the Company on October 4, 2021, the Administrator is not liable or responsible for any actions and regarding the information pertaining to the period prior to October 4, 2021 has relied upon the explanations, clarifications, certifications, representations and statements made by the Chief Financial Officer, Company Secretary, Chief Business Officer, Chief Risk Officer, Chief Compliance Officer and Legal Head ('the existing officials of the Company'), who were also part of the Company prior to the appointment of the Administrator. Note No. 2 to the Statement explains that the Administrator got conducted audits/reviews relating to the processes and compliances of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code. Further, as stated in Note No. 2, the Administrator of the Company received certain account wise transaction audit reports from the professional agency appointed as the transaction auditor indicating that there are certain transactions which are fraudulent in nature as per section 66 of the Code. Accordingly, the Administrator has filed applications under section 60(5) and section 66 of the Code before the Kolkata bench of the Hon'ble National Company Law Tribunal (NCLT) on various dates till May 05, 2023 for adjudication. Further, as mentioned in the said note, the transaction audit has been completed and the impact of the same has been incorporated in the Statement. However, the said transaction audit reports have not been made available to us and accordingly, we are unable to comment whether or not all impact of the same has been incorporated in the Statement.

As per Ind AS 109, for a financial asset that is credit-impaired at the reporting date, an entity shall measure the expected credit losses as the difference between the asset's gross carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. Any adjustment is recognised in profit or loss as an impairment gain or loss. Note No. 2 to the Statement explains that the Company has considered impairment reserve created in earlier periods as per RBI guidelines while calculating the impairment on such accounts which is not in accordance with Ind AS 109. Further, Note No. 5 to the Statement explains that basis ECL rates and the impairment reserve made in earlier periods in cases where they exceed gross exposure, the Company made a lesser provision under the ECL, so as to restrict the net exposure at Nil, since no withdrawal from impairment reserve is permitted which is also not in accordance with Ind AS 109. If the loan loss provisioning would have been provided without considering the impairment reserve as mentioned above the loss before tax for the quarter ended June 30, 2023 would have increased by Rs. 58 crores, and correspondingly impairment reserve of Rs. 58 crores would have been transferred to retained earnings, thereby having no impact on shareholders fund.

- (b) Note No. 3 to the Statement which states that the Company adopted a policy, to not to recognise interest income on accounts in which transactions are determined as fraudulent by the Company. Had the Company recognised the interest income, as aforesaid, interest income would have been higher by Rs. 241 crores for the quarter ended June 30, 2023 and consequently the ECL provision would also have been higher by Rs. 241 crores for the quarter ended June 30, 2023, resulting in no change in loss for the quarter ended June 30, 2023.

- (c) Note No. 5 to the Statement which explains that the Administrator as part of the CIRP process had appointed independent valuers to conduct valuation of the assets of the company and assets/collaterals held as securities. Since the Statement, disclosures, categorisation and classification of assets are subject to the outcome of such valuation and CIRP process, we are unable to comment on the impact, if any, of the same on the Statement.

- (d) Note No. 6 to the Statement which explains that during the financial year 2019-20, the Company accounted for the slump exchange transaction and consequently recognized the relevant assets and liabilities in its books of account, pursuant to the Business Transfer Agreement ('BTA') with Srei Infrastructure Finance Limited ('SIFL'), with effect from October 1, 2019, subject to necessary approvals. The superseded Board of Directors and erstwhile management of the

Company obtained expert legal and accounting opinions in relation to the accounting of BTA which confirmed that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and framework. The Note further explains that during the financial year 2020-21, the Company had filed two separate applications under Section 230 of the Companies Act, 2013 ('the Act') before the Hon'ble NCLT proposing Schemes of Arrangement (the Schemes) with all its secured and unsecured lenders. Since applications/appeals in connection with the Scheme were pending before Hon'ble NCLT/NCLAT, the superseded Board of Directors and erstwhile management had maintained status quo on the Scheme including accounting of BTA. Both the schemes of arrangement were rejected by majority of the creditors and an application of withdrawal was filed by the Administrator in this matter which has been allowed by the Tribunal vide order dated February 11, 2022.

As stated in the said Note, the Company is in the process of consolidated resolution of SEFL and SIFL and hence no further action is being contemplated regarding establishing the validity of BTA or otherwise, consequent upon the withdrawal of Schemes. Accordingly, the status quo regarding BTA, as it existed on the date of commencement of CIRP, has been maintained. In view of the uncertainties that exists in the matter of BTA, we are unable to comment on the accounting of BTA, as aforesaid, done by the Company and accordingly on the impact of the same, if any, on the Statement.

- (e) Note No. 8 to the Statement which explains that the Administrator has invited the financial/operational/other creditors to file their respective claims. As per the said note, admission of claims of the financial/ operational/ other creditors received by the Administrator is completed and the effect of the same has been given in the books of accounts. However, the figures of the claims admitted in the books of accounts might undergo change in the subsequent periods before the resolution plan is approved by Adjudicating Authority in case the Administrator comes across any additional information warranting such revision of claim amounts of the financial/ operational/ other creditors. Hence, adjustments, if any, arising out of such additional information, will be given effect in subsequent periods. We are unable to comment on the impact of the same, if any, on the Statement.

Further, Note No. 8 to the Statement explains that the Company as per the Code on the date of commencement of CIRP i.e. October 8, 2021 has converted foreign currency debt into INR and accordingly has not translated its foreign currency exposure as on June 30, 2023 as per requirements of Ind AS 21. We are unable to comment on the impact of the same, if any, on the Statement.

- (f) Note No. 9 to the Statement which states that the Company has not provided for Rs. 1,263 crores for the quarter ended June 30, 2023, Rs. 1,209 crores for the quarter ended March 31, 2023, Rs. 1,107 crores for the quarter ended June 30, 2022 and Rs. 4,661 crores for the year ended March 31, 2023, pursuant to its admission under the CIRP, in respect of its obligation for interest on all the borrowings since insolvency commencement date i.e. October 8, 2021. Had the Company provided its obligation for interest, as aforesaid, loss before tax for the quarter ended June 30, 2023 would have resulted in a loss before tax of Rs. 1,460 crores, the loss before tax for the quarter ended March 31, 2023 would have resulted in a loss before tax of Rs. 1,400 crores, the loss before tax for the quarter ended June 30, 2022 would have resulted in a loss before tax of Rs. 5,726 crores, the loss before tax for the year ended March 31, 2023 would have resulted in a loss before tax of Rs. 15,881 Crores.

- (g) Note No. 10 to the Statement which explains the reasons owing to which the Company has not been able to comply with guidelines of RBI in relation to mandatory hedging of exposure in External Commercial Borrowings amounting to Rs. 273 crores as at June 30, 2023, as per contractual terms. As stated, in the said note, the Company has reported the above fact to RBI and reply of the same is awaited from RBI. We are unable to comment on the impact of the same or any other consequences arising out of such non-compliance, if any, on the Statement.

- (h) Note No. 12 to the Statement which explains that the erstwhile management, as per the specific directions from Reserve Bank of India (RBI) in relation to certain borrowers referred to as 'probable connected parties/related parties', in line with arm's length principles, was in the process of re-assessing & re-negotiating terms and conditions with such borrowers and all other borrowers, who have been granted loans with moratorium period and at interest rate which is linked with the cash flows of the project. However, the said process was not concluded and

meanwhile the Company has gone into CIRP. As stated in the said Note, the Administrator is not in a position to comment on the views adopted by the erstwhile management in relation to the RBI's direction since these pertain to the period prior to the Administrator's appointment. As stated in paragraph (a) above, the Administrator has got conducted transaction audit/review relating to the process and compliance of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code, which is in process. In respect of such accounts, the Administrator has filed applications under section 60(5) and section 66 of the Code before the Kolkata bench of the Hon'ble National Company Law Tribunal (NCLT) on various dates till May 05, 2023 for adjudication. Further, as mentioned in the said note, the transaction audit has been completed and the impact of the same has been incorporated in the Statement. However, the said transaction audit reports have not been made available to us and accordingly, we are unable to comment whether or not all impact of the same has been incorporated in the Statement. However, the Company has not assessed whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- 'Provisions, Contingent Liabilities and Contingent Assets'. Hence, in absence of such assessment, we are unable to comment on any non-compliance with Ind AS and the corresponding impact of the same, if any, on the Statement.
- (j) No. 14 to the Statement which explains the reasons owing to which the Note Company was not able to comply with the requirements of Section 135 of the Companies Act, 2013 in relation to depositing unspent amount of CSR. Further, as stated in the said Note and paragraph (c) above, latest valuations from independent valuers in respect of assets of the Company is in progress, accordingly, the percentage of security cover given in Note No. 15 to the Statement is subject to the outcome of such valuation and CIRP process. Hence, we are unable to comment on impact of the same, if any on the Statement.

We are unable to comment on the impact of the same or any other consequences arising out of it, if any, on the Statement.

As a result, the Company's net worth has fully eroded and it has not been able to comply with various regulatory ratios/limits etc. All this has impacted the Company's ability to continue its operations in normal course in future. The application in the matter is admitted and the final order was received on February 14, 2022 wherein the Hon'ble NCLT approved the consolidation of the corporate insolvency of SIFL and SEFL. The Consolidated Committee of Creditors (CoC) took on record three Resolution Plans received from Prospective Resolution Applicants (PRAs) on January 18, 2023.
