❑ ASSURANCE AND ACCOUNTING

We offer assurance services of the highest quality to help our clients build on a foundation of the most ethical accounting practices and reporting. Services, we have been dedicatedly involved in

- Assurance Services
- IFRS / IND AS Implementation
- Accounting Estimates
- Financial Forecasting
- Outsourced professional assistance

❑ DOMESTIC AND INTERNATIONAL GAAP SERVICES

Our partner led approach focuses on adding value through high quality services. Our Risk based audit methodology has been adopted from over 5 decades uninterrupted services which is continuously updated to reflect the latest changes and trends in the domestic as well as international audit standards. We focus not just on the final report but on better governance

- Audit under domestic and international Gaaps
- Agreed upon Procedures
- Certification Services

The management of risk and implementation of robust corporate governance is now a societal expectation and a regulatory necessity for companies of different sizes. While many companies are required by law, regulations or stakeholders to apply these processes and procedures, even more elect to do so as they recognise this is part of a successful business strategy.

❑ RISK BASED INTERNAL AUDIT

A risk based approach that focuses on the company's controls, compliance mechanism and operating efficiencies.

❑ MANAGEMENT AUDIT

A deep dive into processes coupled with incisive data analytics help identify opportunities to streamline operations by increasing efficiency and lowering costs.

❑ FORENSIC AUDITS AND INVESTIGATIONS

Businesses are vulnerable to frauds. A forensic audit can be conducted in order to bring a charge against a party for fraud, embezzlement or other financial claims. In addition, an audit may be conducted to determine negligence.

❑ REAL ESTATE AUDITS

Review of BOQ for all activities done at site w.r.t. working drawings, Checking of R/A bills with physical materials issued for consumption, Checking of competitive rate analysis chart of various BOQ, Checking of various Test Registers e.g. Sieve Test, Cube Test, Brick Test, Rolling Margin Test, Slum Test for Concretes etc., Checking of process for collecting & floating of Tender for the Contractors and Calculation & analysis of BOQ from the GFC Drawings.

❑ INTERNAL FINANCIAL CONTROLS

Our IFC engagements includes review of the company's internal control framework, review / preparation of risk control matrix, control gap assessment report and testing the operating effectiveness of internal controls

❑ STANDARD OPERATING PROCESSES

Standard Operating Processes become a ready reference to guidelines, policies, and procedures, provide streamlined roles and responsibilities, clarity of instructions for activities, focus and provides an efficient framework to adhere to internal and regulatory compliances.

❑ ENTERPRISE RISK ASSESSMENT

Our Enterprise Risk Management (ERM) service help clients define risk management appetite, develop robust governance and risk frameworks and use risk management to enhance strategy development and operational performance.

❑ PRE-AUDIT

System for sensitive and defined areas in companies, leading to an independent check and control over each key process, such as purchases, sales, payments etc.

❑ DATA ANALYTICS

Data Analytics leverage technology to provide accurate and more comprehensive insights into risk areas within audit plan

❑ MERGER AND ACQUISITION SERVICES

The India growth story is fast evolving from being an acclaimed destination of outsourcing and foreign investment to becoming a dominant market player for M&A in the global arena. We assist companies through entire transaction process. Our services comprise:

- Strategic planning for execution
- Due diligence and valuation
- Transaction structuring / Advisory
- Post Acquisition Services

❑ VALUATION SERVICES

Clients often look for valuations for mergers and acquisitions, corporate governance or regulatory reasons, or to know the value of an asset, subsidiary or investment in order to make optimal business decisions. We carry out the following different kinds of valuation services

- Equity / Share / Business Valuation
- Intangible / Brand Valuation
- Fixed Asset Valuation
- Actuarial Valuation

❑ DUE DILIGENCE SERVICES

Due diligence represents an important step in any financial transaction. Buyer or sellers ensure that the financial information they hold is as accurate as possible, in order to make an informed decision, and also to ensure that their governance and risk-mitigation objectives are met.

❑ INVESTMENT BANKING - PRIVATE EQUITY & DEBT

At SKALLP, we assist clients in meeting their strategic objectives to either raise capital, dispose and acquire businesses or listing internationally. The deep connections of the team in the financial service industry including private equity firms, banks and other investing institutions proves to be excellent value for clients to work with us.

Our network of experienced tax professionals can assist in ensuring compliance while adding value. Our scope of direct and indirect tax services includes the following:

❑ **RESTRUCTURING AND M & A TAX**

- Corporate Restructuring
- Cross border investments
- Divestment and pre Initial Public Offering investment
- REIT and Trust advisory
- Succession planning
- Tax due diligence
- Mergers & acquisitions structuring

❑ **TAX LITIGATION AND DISPUTES RESOLUTION**

- Representation before the tax authorities
- Corporate tax litigation assistance
- Assisting in legal submissions for income tax proceedings
- Alternative tax dispute resolution avenues
- Preparing advance ruling application for the Authority of Advance Rulings
- Assisting the legal counsel in representations

❑ **TRANSFER PRICING**

- Transfer Price planning, documentation and assistance including dispute resolution and assessment

❑ DIRECT TAX COMPLIANCE

- Advising on withholding tax obligations
- Obtaining no-objection certificates
- Assisting in filing returns
- Tax diagnostic review, impact assessment, assist in preparation and filing of Indian income tax obligations

❑ INDIRECT TAX SERVICES

With professionals pooling in a wide range of experience and in-depth knowledge of indirect taxes, we provide to our clients efficient procedures to help improve their reporting for indirect tax. Our integrated team helps improve clients' perspective and supports them in reducing attribution errors, reducing costs, ensuring regular compliances by handling their indirect tax correctly.

- We provide assistance in the following areas:
- Compliance and Review of GST and other Indirect Tax matters
- In-depth GST Review and Audits on behalf of the management
- Representation & Litigation during assessment, appellate and post appellate proceedings.

❑ GLOBAL MOBILITY SERVICES

- Expatriate assignments
- Social Security regime
- Payroll Services and Employee equity incentive calculations and impact analysis
- Foreign Exchange Regulations and related advisory

The Insolvency and Bankruptcy Code, 2016 (IBC), a landmark financial sector reform, the provisions of this code override all other existing legislations on matter pertaining to Insolvency and Bankruptcy. An Independent regulator viz. Insolvency and Bankruptcy Board of India (IBBI) is reforming the insolvency proceedings on similar lines as developed countries.

SKALLP has partners who act either as Insolvency Professional or provide end-to-end resolution support

Our Insolvency and bankruptcy offerings include of:

- Pre-package for insolvency (Preparatory service)
- Interim Resolution Professional Services
- Liquidation Services
- Represent on CoC on behalf of creditors

❑ BUSINESS MANAGEMENT SERVICES

Our Business Advisory Services division is experienced in dealing with clients from varied stature in diverse industries with different financial, accounting and business requirements

- Advise on Strategy/Starting a business in India
- Advise on formation and company structure
- Accounting and Process Outsourcing

❑ REGULATORY COMPLAINTS

We cater to different requirements of the clients with respect to the regulatory compliances that are applicable to them. We do a complete diagnostic check up; whether all formalities are being completed e.g.

- Companies Act compliances
- Employee Related laws
- SEBI Regulatory Advisory and RBI Matters

❑ OUTSOURCING

An increasing number of businesses have accepted that outsourcing financial reporting and analysis is a more pragmatic and cost effective step than in-house operation.

- Accounting and Compliance outsourcing
- Payroll and Tax return Processing

Banking Related Services

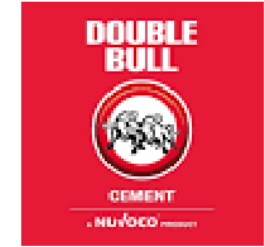

Our firm is registered with RBI as Category-I Auditor, we have provided following specialized type of services to numerous Banks.

- **Statutory Central Auditor- UCO BANK (2020-21 to 2022-23)**
- Statutory Branch Auditor
- ASM Audit
- Forensic Audit
- IS Audit
- Concurrent Audit
- Stock/Receivable Audit
- Revenue Audit
- KYC/Business Verification of Banks prospective borrowers.
