## **EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**

Srei Infrastructure Finance Limited (“Srei Infra”) is registered with the Reserve Bank of India (RBI) as a Systemically Important Non-Deposit taking Non-Banking Financial Company (“NBFC-ND-SI”) under the category “Infrastructure Finance Company” vide certificate of registration dated 30th March, 2011, bearing Registration No. B-05.02773. Srei Infra is also notified as a Public Financial Institution (PFI) by the Ministry of Corporate Affairs (MCA). Srei Infra, constantly and consistently, has been delivering innovative solutions in the infrastructure sector. Srei Infra has been playing a significant role in nation-building for three decades, both in urban and rural India. Its expertise involves infrastructure advisory, structuring and syndication solutions, investment banking advisory, fund management, insurance broking. The understanding of risks associated with infrastructure sector has enabled Srei Infra to provide a holistic solution to customers, which in turn allow them achieve their objectives efficiently. Srei is headquartered in Kolkata and has presence across India.

Srei Equipment Finance Limited (“Srei Equipment”) is a wholly owned subsidiary of Srei Infra and is registered with the Reserve Bank of India (“RBI”) as a Systemically Important Non-Deposit taking Non-Banking Financial Company (“NBFC-ND-SI”) under the category “Asset Finance Company” vide certificate of registration dated 19th February, 2014, bearing Registration No. N.05.06694. Srei Equipment is one of the leading player in construction and mining equipment financing. Srei Equipment has an experienced management team having significant expertise in the financial services sector.

Srei Infra, in order to consolidate its lending business and lease business, is desirous to transfer its Lending Business, Interest Earning Business & Lease Business (“Transferred Undertaking”), to its wholly owned subsidiary, Srei Equipment together with associated employees, assets and liabilities (including liabilities towards issued and outstanding non-convertible debentures issued by Srei Infra), on a going concern basis by way of Slump Exchange, for a lump sum consideration, not less than its book value (determined by an Independent Chartered Accountant), subject to adjustments as may be necessary, which shall be discharged by Srei Equipment by way of issue and allotment of equity shares of Srei Equipment to Srei Infra. In this regard, it is required to execute a business transfer agreement setting out the terms and conditions on which the proposed transfer of the Transferred Undertaking shall take place.

The Board of Srei Infra had been deliberating on the idea of consolidation of business since the last 4-5 years with more focus on equipment financing and reducing the portfolio of infrastructure financing. The Board had initially approved a Scheme of Arrangement & Amalgamation vide their resolution dated 21st January, 2019. However, on account of the significant changes in the market conditions especially in the non-banking financial company sector and in line with the discussions with market experts, consultants and others, the Board has identified the mechanism of slump exchange to suit the current requirements and circumstances in order to achieve consolidation in a lesser time frame and that too more effectively.

Such consolidation will result in optimization in operational costs followed by reduction in duplicity of processes and overheads. With the customers ending up with one entity to deal with, the consolidated business will enhance the ability to serve customers and tap better growth in equipment financing business.

The Slump Exchange will not only consolidate all lending businesses in one entity, but it will also create a simple structure enabling better governance and stronger regulatory compliance. Srei Equipment will be enabled to raise capital through means of initial public offering, private equity investments and/or strategic investments basis a stronger balance sheet. Further, on account of consolidation, Srei Equipment will be in a relatively stronger position to convert into a bank as and when permitted by RBI. The secured creditors of Srei Infra will inter alia enjoy a strengthened security and asset cover in Srei Equipment.

The proposed consolidation is, inter alia, targeted to benefit all the stakeholders and beneficiaries of Srei Infra and Srei Equipment.

The Board of Directors of the Company, at its meeting held on 4th July, 2019 has approved the Slump Exchange, subject to the approval of the members, third party consents, statutory and regulatory approvals, as applicable.

In terms of Section 180(1)(a) of the Act, the Board shall sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company only with the consent of the Members by way of a special resolution. Explanation (i) to Section 180(1)(a) of the Act provides that the expression “undertaking” shall mean an undertaking in which the investment of the Company exceeds 20% (twenty per cent) of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates 20% (twenty per cent) of the total income of the Company during the previous financial year. Since the proposed transfer of the Transferred Undertaking by way of Slump Exchange as going concern to Srei Equipment exceeds the specified limits mentioned above, the Board of Directors seek Members’ approval by way of a Special Resolution.

Pursuant to Section 108 and 110 of the Act read with Rule 20 and 22 of the Companies (Management and Administration) Rules, 2014, consent of the Members is required through postal ballot/e-voting.

None of the Directors or Key Managerial Personnel (KMPs) of the Company either directly or through their relatives are, in any way, concerned or interested, whether financially or otherwise, in the proposed Resolution, except to the extent of their respective shareholding in the Company, if any, and directorship and/or shareholding, if any, in Srei Equipment and such other additional obligations that they are required to fulfil in order to complete the transaction.

Considering that Srei Equipment is a wholly owned subsidiary of Srei Infra and would remain as a wholly owned subsidiary of the Company even after the proposed Slump Exchange, the same will not have any effect on the turnover and net worth of Srei Infra on a consolidated basis.

The Board of Directors are of the opinion that the aforesaid proposal is in the best interest of the Company and its stakeholders.

The Directors, therefore, recommend the Resolution to be passed as a Special Resolution by the Members.
