Dear Anandita and Arijit,

This is with reference to the story titled "ATC set to pick up 51% in Tower Co Viom for \$ 1 Bn" with byline of Anandita Singh Mankotia and Arijit Barman dated December 1, 2014 in The Economic Times.

The weblink to the article is below for your reference.

In this context, we are extremely alarmed at the unverified and unsubstantiated story quoting unnamed sources being published by a publication of your repute. We raise strong objection to the contents of your story without explicit verification from the concerned parties mentioned in the story.

We hold The Economic Times reporting standards in the highest esteem. Such incomplete investigation and reportage in a publication of your stature reflects poorly on your high standards.

Such stories based on speculation create confusion among our stakeholders and regulators, while causing severe damage to our reputation.

We deeply respect your high reporting standards and your editorial credibility, hence solicit your kind support and cooperation in remedying the situation by rectifying the errors and carrying a suitable corrigendum.

Looking forward to your kind cooperation.

Thanks and regards,
