Media Release

Srei Infrastructure Finance Raises its Benchmark Rate by 50 Basis Points

Kolkata, August 27, 2013: Srei Infrastructure Finance Limited announced a hike in its benchmark rate by 50 basis points, from 17.50% to 18% per annum effective from September 1, 2013.

The Company's Asset Liability Management Committee met and after reviewing the cost of borrowing, decided to increase its benchmark rate. Srei had last increased its SBR in September 2011 by 75 basis points.

Bijoy Daga, CEO, Srei Infrastructure Finance Limited, said, "This interest rate increase comes at a time when the cost of funds have increased for the infrastructure sector. This pressure is expected to continue as long as our monetary policy remains tight due to the overall macro-economic scenario and rupee depreciation. We hope that the Government makes a concerted effort to check the fall in rupee."
