Commenting on the results, **Mr. Hemant Kanoria, Chairman, Srei**, said: "For last few years, our focus has been to grow our equipment finance portfolio, where we are witnessing a silent recovery in demand. We are sanguine that the demand will pick up further with the awarding of new EPC contracts. Our co-lending partnerships with India's leading banks are paying rich dividends and will result in better risk-weighted returns going forward. We will continue to focus on improving our profitability and return on equity in coming quarters."
