Independent Auditor's Review Report on quarterly and year to date Unaudited Financial Results of Srei Equipment Finance Limited pursuant to the Regulation 52 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To The Administrator
Srei Equipment Finance Limited**

1. We were engaged to review the accompanying Statement of Unaudited Financial Results of **Srei Equipment Finance Limited** ("the Company") for the quarter ended December 31, 2021 and for the year to date from April 1, 2021 to December 31, 2021 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. The Reserve Bank of India ('RBI') vide press release dated October 4, 2021 in exercise of the powers conferred under Section 45-IE (1) of the Reserve Bank of India Act, 1934 ('RBI Act') superseded the Board of Directors of the Company and appointed an Administrator under Section 45-IE (2) of the RBI Act. Further, RBI, in exercise of powers conferred under section 45-IE (5) (a) of the RBI Act, has constituted a three-member Committee of Advisors for advising the Administrator.

The RBI had also filed application for initiation of Corporate Insolvency Resolution Process ('CIRP') against the Company under Section 227 read with clause (zk) of sub-section (2) of Section 239 of the Insolvency and Bankruptcy Code (IBC), 2016 ('the Code') read with Rules 5 and 6 of the Insolvency and Bankruptcy (Insolvency and Liquidation Proceedings of Financial Service Providers and Application to Adjudicating Authority) Rules, 2019 ('FSP Insolvency Rules') before the Hon'ble National Company Law Tribunal, Kolkata Bench ('Hon'ble NCLT'). Hon'ble NCLT vide its order dated October 8, 2021 admitted the application made by RBI for initiation of CIRP against the Company. Further, Hon'ble NCLT gave orders for appointment of Mr. Rajneesh Sharma, as the Administrator to carry out the functions as per the Code and that the management of the Company shall vest in the Administrator. Further, RBI has also retained the three-member Committee of Advisors, as aforesaid, for advising the Administrator in the operations of the Company during the CIRP.

3. We refer to Note No. 2 to the Statement which states that the Statement has been taken on record by the Administrator while discharging the powers of the Board of Directors of the Company which were conferred upon him by the RBI and subsequently by the Hon'ble NCLT vide its order dated October 8, 2021.

This Statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on this Statement based on our review.

In view of the matters described in paragraph 5 mentioned below, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our conclusion on this Statement. Accordingly, we do not express a conclusion on this Statement.

4. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

5. **Basis for Disclaimer of Conclusion**

- (a) Note No. 2 to the Statement which explains that the Administrator has initiated audits/reviews relating to the processes and compliances of the Company and has also appointed professionals for conducting transaction audit as per Section 43, 45, 50 and 66 of the Code. Hence, the Statement is subject to outcome of such audits/reviews. Pending the outcome of the Transaction Audit, we are unable to comment on the impact, if any of the same on the Statement. Further Note No. 2 also explains that since the Administrator has taken charge of the affairs of the Company on October 4, 2021, the Administrator is not liable or responsible for any actions and regarding the information pertaining to the period prior to October 4, 2021 has relied upon the explanations, clarifications, certifications, representations and statements made by the Chief Financial Officer, Company Secretary, Chief Business Officer, Chief Risk Officer and Legal Head ('the existing officials of the Company'), who were also part of the Company prior to the appointment of the Administrator.

- (b) Note No. 5 to the Statement which explains that latest valuations from independent valuers in respect of assets/collaterals held as securities and considered for loan loss provision is in progress. Hence, pending completion of the process, we are unable to comment on the impact, if any of the same on the Statement.

- (c) Note No. 6 to the Statement which explains that during the financial year 2019-20, the Company accounted for the slump exchange transaction and consequently recognized the relevant assets and liabilities in its books of account, pursuant to the Business Transfer Agreement ('BTA') with SIFL, with effect from October 1, 2019, subject to necessary approvals. The superseded Board of Directors and erstwhile management of the Company obtained expert legal and accounting opinions in relation to the accounting of BTA which confirmed that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and framework. The Note further explains that during the financial year 2020-2021, the Company had filed two separate applications under Section 230 of the Companies Act, 2013 before the Hon'ble NCLT proposing Schemes of Arrangement (the Schemes) with all its secured and unsecured lenders. Since applications/appeals in connection with the Scheme were pending before NCLT/NCLAT, the superseded Board of Directors and erstwhile management had maintained status quo on the Scheme including accounting of BTA. Both the schemes of arrangement were rejected by majority of the creditors and an application of withdrawal was filed by the Administrator in this matter which has been allowed by the Tribunal vide order dated February 11, 2022.

As stated in the said Note, the Company is in the process of evaluating the impact of the order dated February 11, 2022 on validity of BTA or otherwise and is also taking legal opinion in the matter and outcome of the same will be given effect to, as appropriate. Hence, with regards to the uncertainties that exists in the matter of BTA, we are unable to comment on the accounting of BTA, as aforesaid, done by the Company and accordingly on the impact of the same, if any, on the Statement.

- (d) Note No. 8 to the Statement which explains that the Administrator has invited the financial/operational/other creditors to file their respective claims and that the admission of such claims is in process. Further, the note explains that the effect in respect of the claims, as on October 8, 2021, admitted by the Administrator till February 4, 2022 has been given in the books of account. Further, the note also explains that the creditors can file their claim during CIRP and the figures of claims admitted and accounted in the books of accounts might undergo changes during CIRP. Hence, adjustments, if any, arising out of the claim verification and submission process, will be given effect in subsequent periods. We are unable to comment on the impact of the same, if any, on the Statement.
- (e) Note No. 9 to the Statement which states that the Company has not provided for Rs. 957 Crores, pursuant to its admission under the CIRP, in respect of its obligation for interest on all the borrowings since insolvency commencement date i.e. October 08, 2021. Had the Company provided its obligation for interest, as aforesaid, profit before tax for the quarter and loss before tax for the nine months ended December 31, 2021 would have resulted in a loss before tax of Rs. 890 Crores and Rs. 3,747 Crores for the quarter and nine months ended December 31, 2021 respectively.
- (f) Note No. 10 to the Statement which explains the reasons owing to which the Company has not been able to comply with guidelines of RBI in relation to mandatory hedging of exposure in External Commercial Borrowings amounting to Rs. 273 crore as at December 31, 2021. As stated, in the said note, the Company has reported the above fact to RBI and reply of the same is awaited from RBI. We are unable to comment on the impact of the same or any other consequences arising out of such non-compliance, if any, on the Statement.
- (g) Note No. 11 to the Statement which explains that the Company as per the Code on the date of commencement of CIRP i.e. October 8, 2021 has converted foreign currency debt into INR and accordingly has not translated its foreign currency exposure as on December 31, 2021, as per requirements of Ind AS 21. We are unable to comment to comment on the impact of the same, if any, on the Statement.
- (h) Note No. 13 to the Statement which explains that the erstwhile management, as per the specific directions from Reserve Bank of India (RBI) in relation to certain borrowers referred to as 'probable connected parties/related parties', in line with arm's length principles, was in the process of re-assessing & re-negotiating terms and conditions with such borrowers and all other borrowers, who have been granted loans with moratorium period and at interest rate which is linked with the cash flows of the project. However, the said process was not concluded and meanwhile the Company has gone into CIRP. As stated in the said Note, the Administrator is not in a position to comment on the views adopted by the erstwhile management in relation to the RBI's direction since these pertain to the period prior to the Administrator's appointment. As stated in paragraph (b) above, the Administrator has initiated a transaction audit/review relating to the process and compliance of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code, which is in process. We are unable to comment on the impact of the same, if any, on the Statement.
- (i) Note No. 15 to the Statement which explains that, during the quarter ended September 30, 2021, based on the directions of RBI the Company has made provisions amounting to Rs. 98 crores and Rs. 50 crores in respect of direct tax cases and indirect tax cases respectively where the Company was under various stages of appeal with the relevant tax authorities. However, the Company has not assessed whether the outflow of resource embodying economic benefits is probable or not as per the requirements of

Ind AS 37- 'Provisions, Contingent Liabilities and Contingent Assets'. Hence, in absence of such assessment, we are unable to comment on any non-compliance with Ind AS and the corresponding impact of the same, if any, on the Statement.

- (j) Note No. 16 to the Statement which explains the reasons owing to which the Company was not able to comply with the requirements of Section 135 of the Companies Act, 2013 in relation to depositing unspent amount of CSR. As stated, in the said note, the Company has written to MCA seeking exemption from the obligations of the Company under portions of Section 135(5) and Section 135(7) of the Companies Act, 2013. We are unable to comment on the impact of the same or any other consequences arising out of such non-compliance, if any, on the Statement.
- (k) Note No. 18 to the Statement which states that the Company has not been able to maintain the asset cover as stated in the information memorandum/debenture trust deeds etc. which is sufficient to discharge the principal amount at all times for the secured non-convertible debentures issued by the Company. Further, as stated in the said Note and paragraph (b) above, latest valuations from independent valuers in respect of assets of the Company is in progress, accordingly, the percentage of asset cover given in Note No. 18 to the Statement is subject to the outcome of such valuation process. Hence, we are unable to comment on Note No. 18 as given by the Company in the Statement.
- (l) In view of the possible effects of the matters described in paragraph 5(a) to 5(k) above, we are also unable to comment on the Company's compliance of the covenants in respect of all borrowings and consequential implications including disclosures, if any.
- (m) In view of the possible effects of the matters described in paragraph 5(a) to 5(l) above, we are also unable to comment on the Company's compliance on various regulatory ratios/limits and consequential implications including disclosures, if any.

6. Disclaimer of Conclusion

In view of the significance of the matters described in paragraph 5 above and the uncertainties involved, we have not been able to obtain sufficient and appropriate evidence and therefore, unable to conclude as to whether the Statement has been prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India or state whether the Statement has disclosed the information required to be disclosed, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We had issued a Disclaimer of Conclusion Report basis the observations forming part of the report for the quarter and six months ended September 30, 2021.

7. Material uncertainty related to Going Concern

We draw attention to Note No. 12 to the Statement which states that the Company has been admitted to CIRP and also indicates the factors that resulted into net loss during the previous quarters/year. As a result, the Company's net worth has fully eroded and it has not been able to comply with various regulatory ratios/limits. All this have impacted the Company's ability to continue its operations in normal course in future. These events or conditions, along with other matters as set forth in the aforesaid Note, indicate that there is a material uncertainty which casts significant doubt about the Company's ability to continue as a 'going concern' in foreseeable future. However, for the reasons stated in the said note, the Company has considered it appropriate to prepare the Statement on a going concern basis.

8. We draw attention to the following matters in the notes to the Statement:

- a. Note No. 4 to the Statement which explains the extent to which Covid-19 pandemic has impacted the operations of the Company. The extent to which the pandemic may further impact the operations and financial results of the Company is dependent on future developments, which are highly uncertain at this point of time.

Further, as stated in Note No. 5 to the Statement based on the overall assessment of financial stress being faced by the borrowers and the lessees and covering the overall economic and business uncertainty, the Company has made ECL provision aggregating to Rs. 64 crore and Rs. 1,509 crore for the quarter and nine months ended December 31, 2021 respectively.

- b. Note No. 7 to the Statement which explains that in view of the impracticability for preparing the resolution plan on individual basis in the case of the Company and its Holding Company, the Administrator, after adopting proper procedure, has filed applications before the Hon'ble NCLT, Kolkata Bench, seeking, amongst other things, consolidation of the corporate insolvency processes of SIFL and SEFL. The application in the matter is admitted and the final order is awaited.

4. Moratorium granted to borrowers pursuant to RBI guidelines due to Covid 19 pandemic

The outbreak of Covid-19 pandemic in 2020 followed by lockdown extended from time to time across India caused significant adverse impact due to slowdown in economic activities during the previous year, which has continued even thereafter.

In the previous year, as a measure for revival of economic activities, RBI issued guidelines relating to Covid-19 Regulatory Packages on March 27, 2020, April 17, 2020 and May 23, 2020 as well as resolution framework for Micro, Small and Medium Enterprises (MSME) sector and other eligible borrowers on August 6, 2020 and May 5, 2021. In accordance with these guidelines and on the basis of the then Board approved policy, the Company offered repayment moratorium/resolution plan to eligible borrowers to whom loans have been granted (including cases of co-lending and loans assigned) (hereinafter referred to as 'borrowers') and to eligible customers to whom assets are given on lease (hereinafter referred to as 'lessees').

Owing to the above, the collection from the borrowers and the lessees had been severely impacted and which also adversely affected the cash flows of the Company.

There is still uncertainty around Covid-19 pandemic and the extent to which the pandemic may further impact the operations, financial results of the Company and asset quality will depend on future developments, which are still unascertainable at this point of time.

5. Loan loss provisioning

Based on the overall assessment of financial stress being faced by the borrowers and the lessees and considering the overall economic and business uncertainty, the Company has made ECL provision aggregating to Rs. 64 crores and Rs. 1509 crores for the quarter and nine months ended December 31, 2021 respectively.

Further, in terms of paragraph 2 (b) of Annex to the guidelines DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated March 13, 2020 issued by RBI on Implementation of Indian Accounting Standards for Non-Banking Finance Companies and Asset Reconstruction Companies, the Company has also considered provision amounting to Rs. 601 crores and Rs. 1,229 crores, for the quarter and nine months ended December 31, 2021 respectively, under Income Recognition, Asset Classification and Provisioning Norms. Such provision is also over and above ECL provision as stated above and has been accounted as 'Impairment Reserve'.

As per the existing officials of the Company, in respect of borrowers/lessees where the above provisions have been made, the Company is hopeful of making recovery against such borrowers/lessees and also has assets/collaterals as applicable held as securities..

As a part of the ongoing CIRP process the Administrator has appointed, two (2) independent valuers to conduct the valuation of the assets of the Company and assets collateral held as securities as required under the provisions of the Code. Accordingly, the financial results are subject to the outcome of such valuation process.

6. Business Transfer Agreement and Scheme of Arrangement

During the year 2019-20, the Company and its holding company, Srei Infrastructure Finance Limited (SIFL) entered into an agreement ('Business Transfer Agreement') to transfer the Lending Business, Interest Earning Business & Lease Business of SIFL together with associated employees, assets & liabilities (including liabilities towards issued & outstanding non - convertible debentures) (Transferred Undertaking), as a going concern by way of slump exchange to the Company pursuant to the Business Transfer Agreement, subject to all necessary approvals. Accordingly, the Company and SIFL passed the relevant accounting entries in their respective books of account to reflect the slump exchange w.e.f. October 1, 2019 while allotment of shares by SEFL was made on December 31, 2019. The superseded board of directors and erstwhile management of the Company, as existed prior to the Appointment of the Administrator, had obtained external expert legal and accounting opinions in relation to the accounting of BTA which confirmed that the accounting treatment so given is in accordance with the relevant Ind AS and the underlying guidance and framework.

During the year 2020-2021, the Company had filed two separate applications under Sec. 230 of the Companies Act, 2013 ('the Act') before the Hon'ble NCLT (CA 1106/KB/2020 and CA 1492/KB/2020 at the Hon'ble NCLT Kolkata) proposing Schemes of Arrangement (the Schemes) with all its secured and unsecured lenders (Creditors). Business Transfer Agreement, constituted an integral part of the Schemes.

The first scheme (i.e. CA 1106/KB/2020) sought for amongst other things "formal consent to be obtained from the required majority of the creditors of SEFL to the completed acquisition by way of slump exchange of the Transferred Undertaking from SIFL in terms of the BTA and consequential formal novation of the loans and securities already forming part of SEFL liabilities and outstanding to the creditor." (as set out in the Scheme filed CA 1106/KB/2020)

The second scheme (i.e. CA 1492/KB/2020) sought for amongst other things restructuring of the debt due to certain creditors of the Company including secured debenture holders, unsecured debenture holders, perpetual debt instrument holders, secured ECB lenders and unsecured ECB lenders and individual debenture holders.

Pursuant to the directions of Hon'ble NCLT vide order dated October 21, 2020, the superseded board of directors and erstwhile management had maintained status quo on the Scheme including accounting of BTA. The final order/s in connection with the Schemes was awaited from Hon'ble NCLT/NCLAT at that time.

Both the schemes of arrangement were rejected by the majority of the creditors during the meetings held pursuant to Hon' NCLT's directions (dated 21/10/2020 and 30/12/2020 respectively). Further, certain appeals were filed by rating agencies in the matter relating to the second scheme of arrangement (i.e. CA 1492/KB/2020). An application of withdrawal was filed by the Administrator in this matter which has been allowed by the Tribunal by an order dated 11th Feb 2022. The Company is in the process of evaluating the impact of the said order on validity of BTA or otherwise and is also taking legal opinion in the matter and the outcome of the same will be given effect to as appropriate.

In accordance with the obligations imposed on the Administrator under Section 18(f) of the Code, the Administrator has taken custody and control of the corporate debtor with the financial position as recorded in the balance sheet as on insolvency commencement date on an 'as-is where-is' basis. The accounts for the quarter and nine months ended December 31, 2021 have been taken on record in the manner and form in which it existed on the insolvency commencement date in view of the initiation of the CIRP. Further, in line with the provisions of Section 14 of the Code, the Company have not alienated any of the assets appearing on the insolvency commencement date.

7. Consolidated Resolution under CIRP

In view of the impracticability for preparing the resolution plan on individual basis in the case of the Company and its Holding Company, the Administrator, after adopting proper procedure, has filed applications before the Hon'ble National Company Law Tribunal- Kolkata Bench (Hon'ble NCLT) in the insolvency resolution processed of SIFL and SEFL (IA No. 1099 of 2021 under CP.294/KB/2021 and IA No. 1100 of 2021 under CP.295/KB/2021) seeking the following prayers:

- Directing the consolidation of the corporate insolvency resolution processes of SIFL and SEFL
- Directing formation of a consolidated committee of creditors for the consolidated corporate insolvency resolution processes of SIFL and SEFL;
- Directing and permitting the conduct of the corporate insolvency resolution processes for SIFL and SEFL in terms of the provisions of the Code in a consolidated manner including investigation of transactions in relation to Section 43, Section 45, Section 50 and Section 66 of the Code, issuance of single request for submission of resolution plans by the Administrator and the submission and consideration of single resolution plan, for the consolidated resolution of SEFL and SIFL in terms of the provisions of the Code;
- Directing and permitting the submission and approval of one consolidated resolution plan for the resolution of SEFL and SIFL in terms of the provisions of the Code.

The application in this matter is admitted and the final order is awaited.

8. Payment to lenders/others and claims under CIRP

CIRP has been initiated against the Company, as stated in Note No. 1 and accordingly, as per the Code, the Administrator has invited the financial/operational/other creditors to file their respective claims as on October 8, 2021 (i.e. date of commencement of CIRP). As per the Code, the Administrator has to receive, collate and verify all the claims submitted by the creditors of the Company. The claims as on October 8, 2021, so received by the Administrator till 4th February 2022, is in the process of being verified/updated from time to time and wherever, the claims are admitted, the effect of the same has been given in the books of accounts.

In respect of claims of creditors, which are rejected or under verification, the effect of the same in the books of accounts will be taken once the verification of the same is completed and it is admitted. Further, as aforesaid, since the creditors can file their claims during the CIRP, the figures of claims admitted in the books of accounts might undergo changes during the CIRP. Adjustments, if any arising out of the claim verification and admission process will be given effect in subsequent periods.

9. Pursuant to the admission of the company under the CIRP, the company has not provided for interest amount of Rs. 957 crore on Borrowings since insolvency commencement date i.e. October 8, 2021, in respect of the company's obligation for interest and principal amount for all the borrowings. Under the Code, the treatment of creditors under the resolution plan is as per debts due as on insolvency commencement date and therefore no interest is accrued and payable after this date. If the interest was accrued on borrowings, as aforesaid, the profit/loss before tax for the quarter and nine months ended December 31, 2021 would have resulted in a loss before tax of Rs. 890 Crores and Rs. 3,747 Crores for the quarter and nine months ended December 31, 2021 respectively.

10. Unhedged Foreign Currency Exposure

As per the requirements of RBI notification RBI/FED/2018-19/67 FED Master Direction No.5/2018-19 dated March 26, 2019, entities raising External Commercial Borrowings ('ECB') are required to mandatorily hedge 70 per cent of their ECB exposure in case the average maturity of ECB is less than 5 years, which the Company complied on an ongoing basis till the nine months ended December 31, 2020. Thereafter, the Company was not able to meet the requirements of the aforesaid RBI notification due to procedural issues. The Company was not able to make payment of the hedging premium/cost to the concerned banks for keeping the ECB exposures hedged, as aforesaid. Therefore, the concerned banks unwound the currency risk hedges, which resulted in ECB exposures amounting to Rs. 273 crores being not hedged, in terms of the aforesaid RBI notification, as on December 31, 2021. The Company has reported the above fact to RBI and reply from the same is awaited.

11. Foreign currency debt has been converted into INR as per the IBC Code on the date of commencement of CIRP on October 8, 2021 and accordingly, the Company has not translated its foreign currency exposure as on December 31, 2021, as per the requirements of Ind AS 21 'The effects of changes in foreign exchange rates'.

The Company has assessed that, the use of the going concern assumption is appropriate in the circumstances and hence, these financial results has been prepared on a going concern assumption basis as per below:

- a) The Code requires the Administrator to, among other things, run the Company as a going concern during CIRP.
- b) The Administrator, in consultation with the Committee of Creditors ('CoC') of the Company, in accordance with the provisions of the IBC, is making all endeavors to run the Company as a going concern. 13. Probable Connected / Related Companies

The Reserve Bank of India (RBI) in its inspection report and risk assessment report (the directions) for the year ended March 31, 2020 had identified 'certain borrowers' as probable connected/ related companies. In the directions, the Company has been advised to reassess and re-evaluate the relationship with the said borrowers to assess whether they are related parties to the Company or to Srei Infrastructure Finance Limited ('SIFL' or 'Holding Company') and also whether these are on arm's length basis.

It has been brought to the Administrator's notice that the erstwhile management of the Company had taken legal view to determine whether such borrowers are related parties to the Company or SIFL. Based on the legal view, the previous management was advised and had therefore come to the conclusion that the Company or its Holding Company have no direct or indirect control or significant influence (as per Companies Act, 2013, Ind AS 24) over such borrowers and are not under common control and accordingly, are not a related party of the Company or its Holding Company. The erstwhile management had also obtained an assessment report on the review & verification of the transactions with the aforesaid probable connected/related companies from an independent Chartered Accountant firm, which states that the transactions of the Company/SIFL with probable connected parties were done at arm's length principles and are in the ordinary course of business and that such parties are not related parties of the Company/SIFL under the Companies Act, 2013 or Ind AS 24.

Further, in view of the RBI directions, in line with arm's length principles, the erstwhile management was in the process of re-assessing & re-negotiating terms and conditions with the aforesaid borrowers and all other borrowers, who have been granted loans with moratorium period and at interest rate which is linked with the cash flows of the project while ensuring that the overall yield is maintained. However, the same was not concluded and meanwhile the Company has gone into CIRP.

The total exposure (net of impairment) towards such borrowers is Rs.7,083 crores as on December 31, 2021.

However, the Administrator is not in a position to comment on the views adopted by the erstwhile management of the Company in relation to the findings of RBI's inspection report since these pertain to the period prior to the Administrator's appointment. As a part of the CIRP, the Administrator has initiated a transaction audits/reviews relating to the process and compliances of the Company and has also appointed professionals for conducting transaction audit as per section 43, 45, 50 and 66 of the Code. As such, these financials results are subject to outcome of such audits/reviews.

These amounts which have been provided for were appearing under 'Contingent Liabilities' earlier. Since, the provision, as aforesaid, has been done on the directions of RBI, the Company has not assessed whether the outflow of resource embodying economic benefits is probable or not as per the requirements of Ind AS 37- 'Provisions, Contingent Liabilities and Contingent Assets'.
16. As at March 31, 2021, the Company was having funds amounting to Rs. 5.23 crores in relation to the Corporate Social Responsibility ('CSR') which were unspent. These unspent amounts as per the requirements of Section 135 of the Companies Act, 2013 ('Act') were to be transferred to funds specified under Schedule VII to the Act within a period of 6 months. However, the domestic lenders of the Company had stipulated Trust and Retention Account (TRA) mechanism effective November 24, 2020, pursuant to which all the payments being made by the Company were being approved/released based on the TRA mechanism. The Company was not able to transfer the aforesaid unspent CSR amount as per the requirements of Section 135 of the Act. The Company has written letter to the Ministry of Corporate Affairs ('MCA') seeking exemptions from the obligations of the Company under portions of Section 135(5) and Section 135(7) of the Act. Accordingly, the percentage of asset cover given above is subject to the outcome of such valuation process.
19. Information as required pursuant to Regulation 52(4) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, has been given in Annexure 1.
20. The figures for the quarter ended September 30, 2021 are balancing figures between reviewed amounts in respect of the half year ended September 30, 2021 and the unaudited management reviewed amounts of first quarter i.e. quarter ended June 30, 2021 of the current financial year.
